

Right Place, Right Time

“It allowed me to go to school full-time instead of part-time.”

Jeremy, an employee at Froedtert Menomonee Falls Hospital, was referred to FlexRide Milwaukee at the right place and right time.

“It’s crazy how this sounds, but I was walking to work three hours there and three hours back,” he said. “I was actually about to quit. Then somebody told me about FlexRide.”

And it changed his life. With FlexRide, Jeremy was able to take that time back, work more hours and even further his education.

“It allowed me to go to school full-time instead of part-time,” Jeremy said.

He believes more people working – or looking for work – in the Menomonee Falls and Butler area should use FlexRide.

“It is a great service,” he said. “It impacted me a lot because it allowed me to not worry.”
